eConneXion NEWSLETTERS

SIGN UP!

PARTS CONNEXION offers a periodic newsletter designed to keep you up-to-date on **important developments, new product introductions, monthly specials** and **close-out promotions**. Be sure to sign up for eConneXion today to keep up with what's new and exciting at pcX!

To view archived newsletters, simply click on one of the eConneXion links below. Please note that prices may change without notice and stock on some of these items may be depleted.

If you would like to receive eConneXion newsletters via email, simply fill in your email address in the adjacent text field and **click** the "Send Me" arrow located on the right. It's that easy!

IMPORTANT NOTE: Please be advised your email address will NOT be sold or given away for spam -- we hate that crap, too.

ABOUT pcX

SIGN UP!

PARTS CONNEXION was formed by Chris Johnson -- cjohnson@partsconneXion.com -- (founder, and former president of Sonic Frontiers (SFI) and The Parts Connection (TPC)) and Victoria Switzer -- vswitzer@partsconneXion.com -- (the former General Accountant and Chief Administrator for SFI/TPC) at the beginning of 2002. We created pcX to fill the void left in the DIY Audio Parts marketplace by the closure of SFI's The Parts Connection division; a closure precipitated by SFI's decision to focus its efforts "exclusively" on their very successful ANTHEM brand of award-winning, high-end, multi-channel home theater electronics.

To be clear, PARTS CONNEXION (pcX) is a *new* corporation, totally unaffiliated with SFI or the former TPC. At pcX, we are carrying similar product lines and are using a similar part/SKU number scheme to that which TPC had, but that is where the similarities end. pcX did not assume, take-over, or acquire The Parts Connection business. Nor did we acquire the rights to, or the designs of, TPC's electronics brand, Assemblage. Any and all outstanding issues any former TPC/Assemblage customer may have with TPC (such as warranty obligations), must be addressed to TPC's parent company -- Sonic Frontiers International.

Moreover, pcX is in business to stay in business for the long-term. Therefore, pcX's business practices, company policies and pricing schemes are our own, and we are not bound by those which TPC followed -- especially those TPC had in place during the time they were liquidating stock during 2001.

Check back often as we are continuously adding NEW product lines. We also broadcast a newsletter called eConneXion, as well as eFLASH updates, on a regular basis -- sign up is free! We will always make a solid effort to keep our customers fully informed as to what is new at pcX!

IMPORTANT NOTE: Parts ConneXion is presently a "mail-order only" operation...thus, we DO NOT have a retail (store front) location -- no "walk-in" business, please. If all goes according to plan, we hope to change that sometime in the next year!

ELECTRO-HARMONIX KT88 TUBE

CATALOG - PDF

SIGN UP!

COMING SOON... pcX will soon be making available a "temporary" PDF downloadable catalog. This is simply a PDF of our extensive HTML website listings - with updated pricing, hundreds of "new" pictures and an order form.

By the Spring of 2005, pcX hopes to have complete d , a traditional and fully "graphically designed" catalog, which will be available in both hardcopy form, and as a PDF download from our website.

Thank you for your continued patience....stay tuned !

FILM CAPACITORS: Multicap (RTX - PPFXS and PPMFX) • Jensen (Copper and Aluminum) • Relcap (RTE - Teflon/TFT and PCU) • Infinicap (Signature Type D and S) • Hovland (Coupling and Speaker) • Solen (PPE - PB and Aluminum Can) • Auricap • Miconics (Silver Mica)
